HOW IDEAS SHAPE POWER AND SOCIETY

THE IDEOLOGY OF PAKISTAN

WHAT IS IDEOLOGY?

WHAT ARE BASIC FEATURES OF IDEOLOGY?

IDEOLOGY OF PAKISTAN AND ITS BASIC PRINCIPLES

IDEOLOGY

- Idea-concept, logo-studies
- "Science of ideas which deals with beliefs, notions and theories"
- "A set of socio-political aims/objectives of any movement for which a group of people aspire collectively"
- A coherent set of ideas that provides the basis for organized political action, whether to preserve, modify, or overthrow a system

EVOLUTION OF THE TERM "IDEOLOGY"

- Coined by Antoine deStrutt de Tracy 1796 – French philosopher
- Enlightenment roots: applying rational thought to human behavior
- Meant as a "science of ideas" — neutral and analytical
- Later politicized during French Revolution (1789) & Napoleonic era (1799 to 1815)

HOW IDEOLOGY BECAME POLITICAL

- Napolean mocked "ideologues" for being unrealistic
- 19th century: Marx turned ideology into a critique — a **tool of the ruling class**
- 20th century: became a way to categorize systems (e.g. Capitalism, Socialism, Fascism)
- Modern usage: ideologies define party platforms, political identities, even wars
